## Please join us.

Get the tools to do something you can be excited about! It's amazing what can be accomplished when people with the same interest join together. At the Tri-City Partners retreat, you will join with others who care about the health of our community. This will be an interactive training to learn new skills and hone existing ones.

**Rhonda Ramsey Molina** will lead the retreat. Ms. Molina currently serves as part-time director of the SAGA Coalition, a Drug Free Communities grantee on the east side of Cincinnati, Ohio. In addition to her work as coalition leader, Rhonda serves as consultant to community coalitions across the country. Rhonda is a recognized national expert in coalition development and management with nearly twenty years experience in substance abuse prevention and community organization.

Ms. Molina and her strong leadership qualities have been recognized by the White House Office of National Drug Control Policy, the Partnership for a Drug Free America, CADCA's Coalition Advisory Council, Indiana University, and the Ohio Bureau of Workers' Compensation. She has received the Award of Excellence from the Alcohol & Drug Addiction Prevention Association of Ohio and a leadership award from the Monroe County Indiana Commissioner's Office for building a county wide drug prevention strategy.
